

SPECTACLE LIVE!

Formed in 2013 in Lowell, MA, **Spectacle Live** has become one of New England's premier concert promoters in less than a decade. Founder Pete Lally's original philosophy – to match the right artist with the right venue at the right date – has proven to be a winner, and today, the company offers creative solutions for eleven

Performing Arts Centers and theaters, offering services ranging from operations and event staffing and ticketing to programming, marketing and technical expertise.

Spectacle is currently working with these concert venues in Massachusetts, New Hampshire and Rhode Island, bringing hundreds of concerts and cultural events to cities and towns across the region.
